TARGETED SOLUTIONS FOR EVERY SKIN

Since 1999, Dermaquest has been the leader in plant stem cell technology and a top international skincare brand. Our exclusive and unique line takes skincare to the next level of excellence and that is pure skin science.

Book in for a DermaQuest skin consultation to discuss your concerns, and your skin care specialist will provide a bespoke treatment plan tailored to your skin and your life style.

## TREATMENTS FOR AGEING CONCERNS

*RETINOL INFUSION FACIAL* - Revive, Repair and Restore your skin. Retinol infusion is the perfect pick-me-up for dull, lifeless skin. This powerful retinol blend will give instant radiance and repair compromised barriers as it restores vitality and hydration levels.

*PEPTIDE VITALITY FACIAL* - Combat your moderate ageing concerns with the use of potent and effective peptides. This treatment is a perfect entry into the peptide family. Utilise this facial to relax the appearance of fine lines and wrinkles, while plumping and firming skin for a youthful boost.

*SWEET LIFT TREATMENT* - Treat your skin from the deepest layers of the epidermis with the Sweet Lift treatment. The powerful combination of Bromelain and Papain enzymes remove dead skin cells, whilst nourishing peptides work to plump the skin from the inside. The Sweet Lift treatment instantly improves the appearance of fine lines and wrinkles, revealing a more youthful, revitalised complexion.

*GLYCOLIC ACID RESURFACER LEVEL 1 OR LEVEL 2* - Turn back the hands of time with this incredibly rich plant stem cell treatment. Ideal for if you need relief from both external and internal ageing concerns, our advanced stem cell technology will transform and awaken dull, tired skin. Experience the transformative powers of our essential plant stem cells.

*PURE ROLLER* - The Pure Roller uses ultra-fine titanium needles to create controlled injury to the skin without causing damage. This stimulates collagen and elastin production within the skin to repair itself. The Pure Roller, will also help products to penetrate the skin, increasing the visible results. Effective for lines & wrinkles, acne scarring and pigmentation.

*PURE ROLLER & RESURFACER TREATMENT* - An advanced anti-ageing and antioxidant facial treatment that increases product penetration by 85% with the use of the Pure Roller System. Helps to firm and tighten the skin. Treats age management concerns and fine lines.

*RETINOL INFUSION CHEMICAL PEEL & TCA CHEMICAL PEEL*

## TREATMENTS FOR ACNE

*DERMACLEAR EXTRACTION FACIAL* – Take your first step towards a fresh and unblemished complexion. Undermine acne-causing bacteria, effectively treat blackheads, and promote clearer, more even-textured skin with this deep cleansing facial.

*SWEET CLEAR TREATMENT* – Tackle problem skin with the Sweet Clear treatment, specifically formulated to soothe and calm congested, irritated and inflamed complexions. This specialist treatment works to unblock pores and decrease excess oil whilst alleviating acne, breakouts and redness. Skin is left feeling deeply cleansed, hydrated, nourished and excess shine is significantly reduced.

*SALICYLIC ACID RESURFACER* – Take your anti-acne ambitions to the next level and help stop acne-causing oil in its tracks. Salicylic Acid effectively exfoliates the skin by controlling congestion and relieving inflammation.

*SALICYLIC ACID CHEMICAL PEEL & MODIFIED JESSNER'S CHEMICAL PEEL*

## TREATMENTS FOR PIGMENTATION

*SWEET ENHANCE TREATMENT* – Spoil your skin with the deeply rejuvenating Sweet Enhance treatment, the clever combination of 4 acids work together to combat fine lines, wrinkles, open pores, excess oil and sun damage to reveal a brighter, smoother complexion. Skin will look and feel healthier- the perfect treatment for anyone who leads an active lifestyle and is starting to notice the effects of ageing or environmental damage.

*MANGOBRITE RESURFACER* – This resurfacing treatment effectively lifts pesky dark spots and evens skin tone. Relish in the brightening, rejuvenating and anti-inflammatory benefits of Mango Pulp and Orange Stem Cells as hydrating Lactic Acid gently moisturises and plumps skin.

*PURE ROLLER* – The Pure Roller uses ultra-fine titanium needles to create controlled injury to the skin without causing damage. This stimulates collagen and elastin production within the skin to repair itself. The Pure Roller, will also help products to penetrate the skin, increasing the visible results. Effective for lines & wrinkles, acne scarring and pigmentation.

*PURE ROLLER & RESURFACER TREATMENT*  
An advanced anti-ageing and antioxidant facial treatment that increases product penetration by 85% with the use of the Pure Roller System. Helps to firm and tighten the skin. Treats age management concerns and fine lines.

*TCA CHEMICAL PEEL*

## TREATMENTS FOR SENSITISED SKIN

*SALICYLIC SENSITIVE RESURFACER* – Providing superior exfoliation while repairing and hydrating sensitive skin. As antimicrobial Salicylic Acid reduces excess oil, this treatment is best suited for clients with sensitised skin that may also be experiencing mild breakouts or congestion.

*LACTIC ACID RESURFACER* - Rejuvenate sensitive skin whilst offering gentle exfoliation. This treatment calms redness, soothes delicate skin, reduces broken capillaries and lifts fine lines and wrinkles all while improving texture, hydrating and brightening dull skin.

## TREATMENTS FOR NORMAL - DRY SKIN

*ESSENTIAL BALANCE FACIAL* – Is a universal treatment appropriate for all skin types and conditions. A brilliant introduction to the DermaQuest product range, this revitalising treatment promotes healthy, balanced skin. Restore your skin's valour by repairing compromised barriers, and reinforce your natural vitality.

*SWEET HYDRATE TREATMENT* – This intensely hydrating treatment uses the purest grade of hyaluronic acid to smooth and refine the skin. Perfect to tackle dry, dehydrated or ageing skin, the Sweet Hydrate treatment leaves skin soft, nourished, plumped and glowing. Fine lines, wrinkles and open pores are all reduced, revealing a healthy, dewy, younger looking complexion.

*POWER PEPTIDE RESURFACER* – This express treatment will offer extreme hydration, brightening benefits, and smoothly textured skin. Not only will you see the difference, you will feel it as well. The power of peptides will immediately plump lines and wrinkles, while giving rise to a brilliant glow.

*PRIMARY OR POWER PUMPKIN RESURFACER* – Combat ageing concerns with this advanced resurfacing treatment using pumpkin pulp, beta and alpha hydroxy acids. Pumpkin pulp is notorious for providing exceptional exfoliation while simultaneously fuelling the skin with essential minerals and vitamins. Feed, correct and protect your skin.
